Welcome to School Council: Purpose

Decision-making and advisory committee for principal

Approvals for after school programs & field trips

Approved tax-credit after school programs, i.e. homework club and running club. Field trips will be partially/fully paid for with current tax credit funds for the 19/20 school year.

Tax credit update

Marissa shared new House Bill 2425 information regarding changes to tax credit funds. Will promote Larkspur Catalina trip at upcoming school events. Teresa will also share Larkspur Catalina 'campaign' in upcoming parent communication.

School updates

Shared new lunch setup for 3rd-6th grades. Students are also assisting as lunch helpers and pushing garbage cans up and down the rows.

Good of the Order

Concern shared: STEM and Project Lab projects have been similar to the start of the year.

Next year: allow parents on campus the first day of school.
